Making a Difference

The membership of Lambda Alpha includes outstanding individuals from many parts of the world who have distinguished themselves in all of the various disciplines and activities that relate to the use and re-use of land. These individuals include not only those who are involved in the ownership, management, regulation and conservation of land, but also those who are involved in its development, redevelopment and preservation.

Making an Impact

Each year, Lambda Alpha International Chicago Region Chapter provides programming and professional development opportunities, building community for over 300 members.
